

Dear Hiring Manager,

I'm interested in the Software Engineer Intern role at Finta. With expertise in Generative AI gained from working as a researcher at the University of California Riverside and engineering innovative solutions at a Generative AI startup Einstein AI, I'm equipped to contribute effectively to your team. My experience includes fine-tuning language models for specialized tasks, hosting models on AWS, Building RAG systems, and developing AI agents for various applications. I'm confident that my skills and track record align well with the goals of Finta. I look forward to discussing how I can contribute to your projects.

Best regards,  
Ubaid.
